

Diagram C: Flat Margins (Reveals)

Rev: 8.02

To aid in identifying Flat Margins (Reveals): Please refer to the example below. Additional information can be found on the pages titled “Ordering Guidelines” and “General Information.” Should you have any questions that are not addressed in these documents, please contact our Customer Service Representatives at 1.800.777.2332 or via e-mail at sales@ultraglas.com.
Flat Margins (Reveals): May be specified for any edge or other area of hardware attachment. Note that most subtle textures may not require reveals. REVEAL DIMENSIONS WILL VARY and should be specified to fit the channel to be used in the installation.
 NOTE: Unless otherwise noted, dimensions are for example only.

ADDITIONAL INFORMATION: DON'T FORGET TO INCLUDE ALL NECESSARY DESCRIPTIVE INFORMATION (SEE BOTTOM OF DIAG. A)
